

TECHNICAL DATA

Fluke C1777 Hard Case

Key features

Fluke hard transport case

Size (HxWxL): 9 in x 14 in x 22 in (22.9 cm x 35.6 cm x 55.9 cm)

Weight: 15.1 lb (6.85 kg)

Product overview: Fluke C1777 Hard Case

The Fluke C1777 is a hard transport case with rollers allowing safe and secure transport of the Fluke 1770 series power analyzers including the 1773, 1775 and 1777 models. The case lid contains a zipper pocket to store items like documentation. Not including the molded storage compartment to tightly hold the instrument there are two additional storage compartments to support the meter accessories. The case does have a handle, but also includes an extendable handle that can be used to support use of the two rollers for easy transport.
